

Dear Student

**Re: Application to Doctoral 2014**

Thank you for your enquiry to do a Doctoral degree in Religion, Philosophy and Classics (Including Theology and Ethics). When applying, please indicate very clearly the field or discipline in which you wish to pursue your Doctoral and provide a motivation for this choice. The list of programmes available are attached.

All students applying for admission into a degree programme at the University need to demonstrate that they have obtained one of the following levels of English proficiency.

1. A pass in an examination equivalent to English at the Higher Grade (First or Second Language) at the South African Senior Certificate level (matriculation).
2. A pass in English language at A-level, or O-level (C-symbol or higher), or the International Baccalaureate or equivalent examination.
3. For international applicants who do not satisfy (1) or (2) above and for whom English is a foreign language:
  - an overall band score of 7.0 on the International English Language Testing System (IELTS) for Post-Graduate studies and 6.0 for Undergraduate studies, or
  - a test score of 550 on the Test of English as a Foreign Language (TOEFL).

You would have had to have completed 5 years of study, or 3 years Bachelors degree, one year Honours degree, and at least one year Masters degree at a recognised Institution, before you can be considered for our Doctoral ' programmes.

**Students to enter postgraduate studies that do not possess an appropriate previous qualification, but have at least 10 years if appropriate experience are required to submit a CV (2-PAGES) and 2 referees reports.**

**International students** please note:

a) "UKZN requires SAQA approval (see SAQA website) on all qualifications from outside South Africa. It is incumbent on the applicant to obtain SAQA approval on their qualifications BEFORE registration as students will not be allowed to register without SAQA approval. Please do NOT come to South Africa if you have not obtained this approval as there have been many delays in the past that have led to students being forced to withdraw from programs". It is compulsory that students who obtain degrees from outside South Africa MUST APPLY to the South African Qualification Authority (SAQA) for evaluation of credentials by sending original academic transcripts to:
