

Post Graduate Studies in Gender & Religion/ Theology and Development

The School of Religion, Philosophy, and Classics at the University of KwaZulu-Natal (Pietermaritzburg campus) in cooperation with the Church of Sweden is offering a unique opportunity to students interested in completing a Masters by coursework with an interdisciplinary approach

Students can enrol for the Gender, Religion, and Health.

Or

Theology and
Development programme.

(Students are free to intergrate health and development or gender and development).

Bursaries are available for qualifying candidates
